**BROWARD COUNTY HEALTH DEPARTMENT PARTNERS WITH CHILDRENS SERVICES
COUNCIL OF BROWARD COUNTY TO PROVIDE H1N1 VACCINATIONS TO
PREGNANT WOMEN AND CHILDREN**

(FORT LAUDERDALE, FLORIDA) – The Broward County Health Department in partnership with the Children’s Services Council of Broward County is providing H1N1 vaccinations to pregnant women, children older than 6 months and persons who care for infants. Free H1N1 vaccinations will be provided on Tuesday and Wednesday, December 1 and 2, 2009 from 9:00AM to 4:00PM at the Children’s Services Council office located at 6600 W. Commercial Boulevard in Lauderhill, 33319.

“The Broward County Health Department is proud to partner with the Children’s Services Council of Broward County to provide H1N1 vaccinations to pregnant women and young children,” said Dr. Paula Thaqi, Director of the Broward County Health Department.

The Broward County Health Department’s H1N1 High Risk Vaccination Clinic located at the Fort Lauderdale National Guard Armory – 400 SW 24th Street, Fort Lauderdale 33315, remains open to everyone in the priority groups who wish to be vaccinated. The H1N1 High Risk Vaccination Clinic is open every Monday, Wednesday and Friday from 8:00AM to 4:00PM and Tuesdays and Thursdays from 8:00AM to 8:00PM.

People in the high priority groups include:

- Pregnant women
- Health care and emergency medical personnel
- People who live with or care for infants younger than 6 months of age
- Anyone 6 months to 24 years of age, and
- Anyone 25 to 64 years of age who have medical conditions that put them at higher risk for influenza related complications
