## **Club mission statement:**

“Our mission is to inspire and empower individuals to take action in protecting our planet.”

## **Upcoming events and activities:**

This year we are going to continue working with the Green Advisory board for volunteer opportunities at Light Up Cooper City and Founder's Day. We are also hoping to start a community garden at Cooper City High School, as well as several other outreach activities.

### **Past achievements:**

In recent years, we have educated many students on the environment and how to protect it. We have worked on many school beautification projects, like painting rocks and decorating the butterfly garden. We also volunteer for community outreach programs, such as the Green Advisory booth at Light Up Cooper City.
