This is a night you don't want to miss! You will have an opportunity to visit your child's classroom and learn how you can support them in school. Teachers will provide lots of information and helpful tips to use with your child. Also, if you haven't had time to purchase your child's Super Sparky gear, this is a good time to do so. The PTA will have a table with lots of great items you can purchase and you can sign up to become a member .

Reminder that parents have the opportunity to let us know how we're doing by providing input into the faculty and administration performance evaluations. If you are interested, please provide your input in writing to Mrs. Carro by April 30, 2017.

Look for signs of fluency development

Fluency— the ability to read quickly, smoothly and with understanding of the text's meaning— takes lots of practice to develop. In fact, it isn't a one-time task. A child may read some books fluently, but then try more difficult materials, and need to work on fluency again. Developing fluency is an important step toward reading comprehension.

Your child is developing fluency when he:

- ◆ **Recognizes many words** immediately, or on sight.
- ◆ **Reads several words** in a row instead of having to pause and sound out each word.
- ◆ **Reads with expression** that makes sense with the text.
- ◆ **Understand the meaning** of what he's reading.

Accelerated Reader Begins on September 12th!

*New Incentives for your First Star

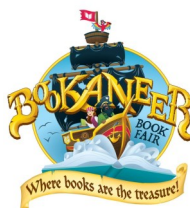

*Quarterly Reward Parties

*End-of-year Awards

Help your child start the new school year excited about reading!

- ◆ **Offer a variety of materials.** Take frequent trips to the library to give them plenty of options.
- ◆ **Be open-minded.** If your child prefers to read magazines or comic books instead of novels, that's OK. What's important now is to help them enjoy reading.
 - ◆ **Consider your child's interests.** Look for materials on topics he loves.
 - ◆ **Move on.** If your child is bored by the second chapter of a book, let him pick a new one.
