

Candidate School for International Baccalaureate (IB)

IB Magnet Coordinator Message

Welcome to the start of the new 2019-2020 school year. As a school community, we continue to use one voice by holding high expectations for our students. We are committed to providing our pupils with a world-class education that will allow them to compete in a globalized world.

By giving students opportunities to develop the IB Learner Profile attributes, students are developing skills needed to become lifelong learners.

Our teachers and students continue to approach teaching and learning through authentic, relevant and real-world experiences. We provide opportunities to develop student's personal, social, emotional and intellectual skills through differentiation and accommodation strategies that are tailored to student's strongest modality.

I look forward to a communal 2019-2020 school year.

Educationally,

J. Foster
IB Magnet Coordinator
