

Mrs. Paula Peters

Principal's Message

Dear Falcon Community,

It is with great pleasure that I welcome you to the 2020-2021 school year! I am honored to serve as the Principal of Charles W. Flanagan High School and to be a part of this prestigious school community. Although we are in a season of uncertainty, I want to assure you that the entire Flanagan staff is working diligently to create a virtual academic environment that continues our tradition of excellence. Here at Flanagan, we will continue to provide a strong culture of caring, innovative learning, and high educational standards for every student.

We are charting new territories together and it is my goal to work with all district, community, parent and student stakeholders to continuously refine our e-learning experience so that all student's feel safe, supported and successful. It is my firm belief that by establishing long-lasting relationships between this school and the families it serves, every child can achieve high academic success; this in turn builds trust and self-esteem in our students and what they believe they can achieve. In the spirit of transparency, I am devoted to exploring new ideas to meet the needs of all students, teachers, parents and community. It is the Falcon spirit to lead with perseverance and tenacity in every difficult situation; however, like before, we will rise to the occasion and be successful together.

This year I am asking us to embrace all that we have to look forward to. One of my many goals this year is to provide the best high school experience for all. I look forward to all that this year has to offer and the new 21st century learning experience that e-Learning will cultivate in all of us.

"Be Here ~ Be You~ Belong, This School Belongs to All of Us"

(Relentless Efforts, Endless Possibilities).
