

Application & Registration Process for DBES Aftercare Program

Registration for **DBEA CHAMPS** is now open! The registration process for the Deerfield Beach Elementary Aftercare program must be completed **"online only"** due to current physical distancing requirements and expectations. Directions are listed below. Please note that the **"application"** is not the same as the **"registration"**. An application is completing all forms and documents while being registered is the receipting of payments for the program. Completing an application **"does not"** guarantee a seat in the program, however it does secure a seat until payment is received. Once you have remitted your payment via our online payment platform, your child(ren) seat(s) in the program will be secured.
