Dear Parent(s)/Guardian(s),

You are receiving this letter because your child has the opportunity to take a high school course next year at Deerfield Beach Middle. We are offering a variety of high school courses for our advanced students in order to open up their course options when they begin high school and to further challenge our students academically. Please note that if your child is placed in this course, this will become part of their high school grade point average (GPA). If you would like your child to take advantage of this exciting opportunity, please complete the form on the opposite side of this letter. Please have your child submit this form to their first period teacher.

If you have any questions, feel free to contact me at the number below.

Sincerely,
