INDUSTRY CERTIFICATION EXAMS

All Career Pathways offered through BCPS have the ability to offer students Industry Certification exams. Industry certifications are real-world certifications that are designed, administered and recognized by industry. Students who earn Industry Certifications may have an advantage gaining employment or be eligible for post-secondary scholarships.
Below is a list of current Industry Certifications that are being offered throughout all Career Pathways in BCPS high schools. For a list of Industry Certifications generally offered in a specific Career Pathway please refer to the Career Pathway sheet.
