Students must successfully meet the foreign language requirement as prescribed in the college catalog.

One science lab course is required; the student may choose to take either the Physical or Biological Science lab.

* Electives recommended for Teacher Education majors.

Students seeking a Bachelor's degree in Teacher Education are required to pass the General Knowledge Exam (GKE). Please contact an Education Pathway advisor for more information on GKE resources available at BC. Students should register for the exam upon completion of their required Mathematics and English courses. EDG1006 is a GKE preparation course which counts as an elective course toward A.A. completion.

Teacher Education Transfer Plan – Associate of Arts 1010 Incoming 9th Grade Students

Career Pathway: [Education](#)
