The primary objectives of the School Advisory Council (SAC) shall be to help identify needs and recommend programs of action. Through a community-wide commitment, the team will foster a positive learning environment, which sets high expectations and meets the diverse needs of the student body.

The School Advisory Council shall be a link between the school and the local community and will serve as a means for participatory management through which the various stakeholders in the school community may assist the school and the school may assist the community. The stakeholders are parents, business people, students, other community representatives, professional educators, and other school staff. The School Advisory Council shall be a resource to the school and school principal (School Advisory Council By Laws, Revised 9/10)
