Observers

How do I download the Canvas Parent app on my Android device?

Download the Canvas Parent app on your Android device to engage in your child's education.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

Open App Store

Open your Android device and tap the Play Store icon.

Open Search

In the app menu, tap the Search field.

Search for App

In the search field, type Canvas Parent. Tap the full name when it appears.

Open App

Tap the name of the app.

Install App

Tap the Install button.

Download App

The app will download and install.

Open App

When the app has downloaded and installed onto your device, you can access the app immediately by tapping the Open button.

View App on Android Home Screen

You can also open the app on your Android home screen by tapping the Canvas Parent icon.

How do I log in to the Canvas Parent app on my Android device?

In the Canvas Parent app, you can log in with Canvas observer credentials to view student course information. If you do not have a Canvas account, you can <u>create an account in the Parent app</u>.

Open App

Open your device and tap the Canvas Parent icon.

Find Your School

| 3→ 0 |
|------------------------------------|
| |
| Canvas |
| 1 Find my school |
| Canvas Network |
| |
| Previous Logins |
| CJ Caroline Jones X |
| Andy Admin documentation.instru |

To find your institution, tap the Find my school button [1].

If you have previously logged into the app, you may be able to log into the app using a previous login. To use a previous login, tap your username [2].

To get help with logging in to the Parent app, tap the Help icon [3].

Find Institution

| ← 🔅 | NEXT |
|------------------------------------------|--------|
| What's your school's name? | |
| utah | |
| Midwives College of Utah | |
| Northeastern Utah Educational Se NUES | rvices |
| Southern Utah University | |

Enter the name of your institution or school district. When the full name appears in the search list, tap the name.

Note: If you are an admin and your school does not appear in the search list, please contact your CSM about mobile smart search.

Enter Canvas URL

You can also log in using your Canvas URL. Enter your institution's Canvas URL in the search field [1]. Then tap the Next link [2].

If you don't know your Canvas URL, tap the Tap here for help link {3].

Enter Login Credentials

| ←documentation.instructure.co |
|-------------------------------|
| |
| canvas |
| 2 Email |
| 3 Password |
| 4 Log In |
| 5 Forgot Password? |

After you've located an account, you can view the Canvas URL at the top of the screen [1]. Enter your email [2] and password [3]. Then tap the Log In button [4].

If you don't know your password, tap the Forgot Password? link [5].

Notes:

- The Canvas email field credential varies according to institution. Some institutions may require a username or account number.
- If your Canvas mobile login page does not show the Forgot Password? link, contact your institution if you need to reset your password.
- If your institution requires you to log in to Canvas using their authentication system, you will be redirected to your institution's login page.

Learn how to use the Canvas Parent app.

How do I create an account in the Canvas Parent app on my Android device?

In the Canvas Parent app, you can create a Canvas observer account to view student course information. If you already have an account, you can <u>log in to the Parent app</u>.

To link yourself to a student, you will need to enter a student-specific pairing code that will link you to the student. Pairing codes are valid for seven days. Students can generate pairing codes from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes. For more information on pairing codes, view the Pairing Codes - Frequently Asked Questions PDF.

Open App

Open your device and tap the Canvas Parent icon.

Find Your School

To find your institution, tap the **Find my school** button.

Find Institution

| ← 🔅 | NEXT |

How do I use the Canvas Parent app on my Android device?

The Canvas Parent app lets you view a student's course events, upcoming assignments, and grades. You can also add and view multiple students in your account.

Notes:

- The Canvas Parent app uses your device's settings to set the time zone used within the app.
- Except when creating an account, you cannot add observed students in the Parent app.
- You cannot remove observed students in the Parent app.
