The bad news: There will be no yearbook this year due to the pandemic.

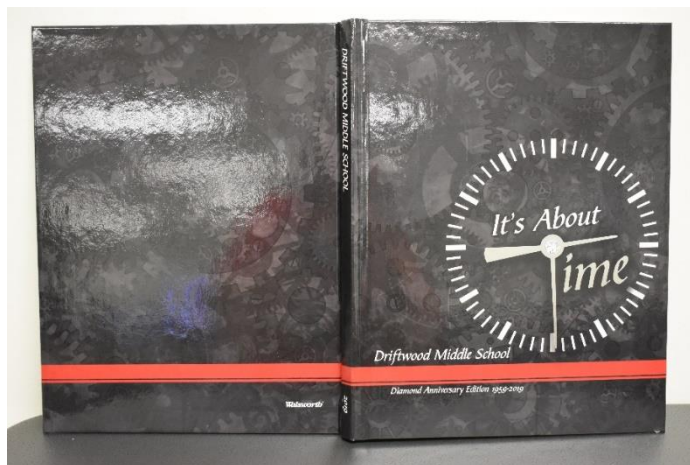

The good news: You can still get the 2019-2020 yearbook for \$40, which is available on the Driftwood Middle school website! As soon as you order and pay for the book, you may visit Ms. Amatulli in Room 704 to pick up the book, or go to the front office, where you will show your digital receipt and receive your book.
