Happy Fall DBES Families and Community,

We are officially into our 2nd Quarter and the Fall season! I have two great items to share with you this time, our fall Academic camps and our Barnes and Noble book night.

Our Fall Academic Camps are offered to any of our 3rd, 4th, and 5th graders and act as an extension to our learning day. There will be 10 sessions on Wednesdays and Thursdays from 2:15 pm to 3:15 pm on the following days:

October – 30th and 31st, November – 6th, 7th, 13th, 14th, 20th, 21st, and December – 4th and 5th

We ask that all participating families ensure they have a ride for their child by 3:20 pm. Dismissal will be done in our car line off Eller Street. Students will not be allowed to walk or ride their bike home by themselves because there are no crossing guards after 2:30 pm. Unfortunately, there will be no bus transportation.

Secondly, we are starting a new tradition at DBES, a Barnes and Noble night. This inaugural event will be held on November 13th from 4:30 to 7:30 PM. Come on out and do some early holiday shopping, hear our amazing chorus perform, hear story time from some of our staff members, and listen to some great stories told by our student authors! Plus, a percentage of proceeds will be donated back to our school on every DBES purchase!

Finally, our Trunk or Treat event is tonight. Make sure to come out with your family and have an amazing (safe), fun filled night! We hope to see you all here! You will see me there with my family, and my car decorated for this yearly DBES tradition!

Thank you for your continued support and we look forward to an amazing Fall season with you!

Sincerely,

Drew Gerlach

Deerfield Beach Elementary School will be participating in WALK/BIKE to School Day on WEDNESDAY OCTOBER 30th! Staff from DBES will meet at Deerfield Beach City Hall at 7:15 am if any students and their parents, grandparents or any other family members would like to join us in a walk/bike to school that morning. To allow us to get to school on time for breakfast we will be leaving city hall at 7:25 am. Walk/bike to school day is designed to remind both parents and students of the pleasure of walking to school and providing us all with physical activity early in the morning. We hope to see a big turnout for this great opportunity (weather permitting)! Even if you drive your child to school you can drive to city hall and park and join us for the walk. Every student that joins us will have a chance to win a basket of goodies!

See you there!
