"Making the World a Little Healthier, One Student at a Time"

Welcome Parents and Students!

Our goal is to share what we hope for students, what we expect, and avenues for opportunity and support. All information shared will also be posted in our Newsletter "The Dandy Medical Gazette".

As a reminder, virtually all communication is electronic and paperless. Please make certain you are able to access your child's Boward SSO and Canvas accounts. Your child's class progress, assignments, and behavior are entered into Pinnacle and assignments are posted on Canvas. Please check Canvas daily for assignments. If you're experiencing issues accessing your child's information, please contact the school at (754) 322-3200. In addition, please make sure the school has all your current contact information such as cell phones and work numbers since we are gearing up to begin our medical field trips.

HOSA

Welcome Back! There are several great opportunities for those interested in joining the HOSA Chapter. We are recruiting for new members. Our first Interest Meeting for the 2018-19 school year was held on October 26th, new officers were elected... President - Savannah Lares, Vice President - Marsha Alexis, Secretary - Natasha Cruz, and Treasurer - Michelle Pierre-Louis. Fundraising ideas were presented with current members voting to sell donuts, chocolate bars, and tickets (\$2) to dress down for Cancer Breast Walk on October 26th. Students will also be collecting dry can food goods for the Food Pantry for Thanksgiving by November 13, 2018.

Technology

We do not require, but we certainly encourage students, with your permission, to bring their phone, laptop, and/ or iPad to school, charged and ready to use. Personal technology can make learning and communicating more convenient and expedient. Currently Eighth grade is using their technology to research Case Studies for their upcoming field trip to FAU.

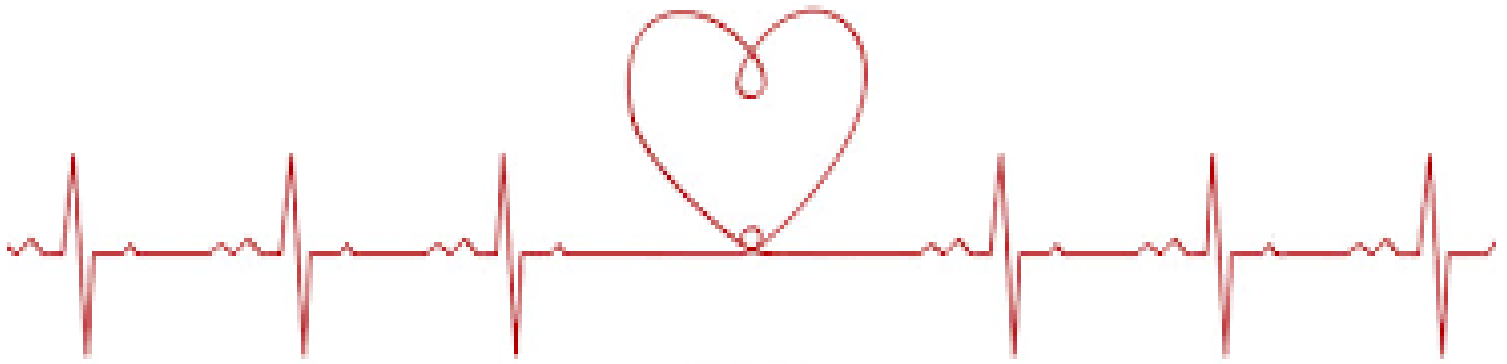

Assessing patient vital signs

Important Dates:

- 10/23 7th Grade Field Trip to Human Society
- 10/26 Breast Cancer Walk (WEAR Pink!)
- 10/30 7th Grade Field Trip to Humane Society (Broward)
- Nov 5 Parent Night from 6 - 8 pm

Story Headline

Students dissecting pigs hearts

The Medical Skills & Services Classes will begin completing their American Red Cross Exam (Written & Practice) for their Two-Year Certification. Students will now be using our new Simulated Mannequins for the Exam. Wish them well.

+++++

6th Grade just completed their first Quarter Project "Facebook Pioneer" from earlier years in Medicine.

+++++

8th Grade completed their "Element Facebook Project on the October 16th. Students did an excellent job.

+++++

7th Grade will complete their Second Quarter Project; creating First Aid Kits. Six students will donate their First Aid Kit to each of the Departments for 100 points extra credit, while the remaining students once completed will have them to use at home.

"The family is the nucleus of civilization."

Thanksgiving Drive

It's almost time for turkey, mashed potatoes, cranberry sauce, and stretchy, Thanksgiving pants! Help a family enjoy a great Thanksgiving meal this year by donating goods by November 13th to HOSA!

Join us in providing the makings of a Thanksgiving meal for a single-parent family in need.

CANNED FOODS: Green Beans, Corn, Yams, Cranberry Sauce

DRY GOODS: Instant Mashed Potatoes, Stuffing
