Health and Wellness (HW) Program

In the fall of 2000, the first high school Health & Wellness Magnet program in the State of Florida was established at Boyd H. Anderson High School. The Health & Wellness Magnet program operates as a school- within-a- school and is intended to provide qualified students with an enriched curriculum to prepare them for entry into health and medical related careers following high school graduation.

The specialized industry certification courses offered are: Allied Health/EKG and Emergency Medical Responder/EMR. In addition, students will have an opportunity to college credits through Advanced Placement and dual enrollment, gain at least one Ready to Work Certificate and get hands on, real world work experience through field trips.

HW Transportation Zone: North of Griffin Rd.
