

BROWARD COUNTY PUBLIC SCHOOLS, FLORIDA
Course Recommendation Override Form
Parent/Guardian Preference Form for Placement in Non-recommended Courses

Student Name (Last, First)	Grade	Student Number
----------------------------	-------	----------------

Course placements are based on individual student achievement, test scores, and other academic data. These placements are based on research; which support specific course selections to provide students with the most rigorous academic program. Parents/Guardians who request to change these placement decisions must meet with a school counselor/designee to be aware that:

- Students choosing a more rigorous course may need additional support (e.g., tutoring, extra study time, exam reviews, study groups, parental support, etc.).
- All high school courses, including those taken in middle school and/or “forgiven,” will remain on the permanent transcript and may be used by colleges, scholarships, or other institutions based upon their respective policies.
- Choosing less rigorous courses may impact future high school course choices.
- Choosing less rigorous courses may negatively impact a student’s post-secondary choices (i.e. may not be as competitive for college admission).
- Choosing less rigorous courses may limit the student’s chance of receiving a Bright Futures Scholarship and other college funding support.
- Each student enrolled in an AP course must make a committed effort to pass the AP exam.
- If a student violates AP guidelines with regard to examination instructions and/or procedures, the student will be dismissed from the exam and the fee will be reported as an obligation.
- If a student does not take the AP exam for the class in which he/she is enrolled, the course grades will be calculated based on five quality points, rather than six for class ranking; and the fee for the examination will be reported as an obligation.

Teachers: Please initial to the left of the recommended course placement for your core area for the above student. Each student **must** have a recommendation for one course in English, Mathematics, Science, and Social Studies. Any elective course that is level 2 or higher will require initials from the appropriate teacher.

In addition, (2) Alternate Elective choices should be selected and the course name should be written on the designated lines, in order of preference. We will make every attempt to honor your choices in order of preference; however, ANY course entered below may be placed in your schedule.

Due to budgetary constraints, it may be determined that courses listed on this card will not be offered. For school information, course descriptions, and graduation requirements, visit the Guidance Tab at <http://www.broward.k12.fl.us/novahigh/>.

My child and I have reviewed the Curriculum Guide, teacher recommendations, and selected what we believe are the most appropriate courses. If necessary, we have completed the override form on the back of this course card. Both my child and I understand that ANY course that is selected on this course card may be placed in the student's schedule. In addition, we understand that any schedule change request out of a course that is written below will be denied. If the course is written below and placed in the student's schedule, it will remain in the student's 2019-2020 schedule for the entire year.
