

The NFTE mission is to activate the entrepreneurial mindset and build startup skills in youth from under-resourced communities, to ensure their success and create a more vibrant society.

The **nfte!** Advantage

- Students are guided through their entrepreneurial journeys of creating and refining an original business concept by NFTE-certified instructors
- Students develop their entrepreneurial mindset through interactions with volunteers, advisors, and judges, drawn from NFTE's network of successful founders and business professionals
- Students launch and scale businesses by developing innovative solutions
- Students can qualify for NFTE's National Youth Entrepreneurship Challenge Series at the local Regional and National level
- NFTE students earn the Entrepreneurship and Small Business (ESB) Certification and FIU Dual Enrollment Credit

The **nfte!** Impact

90% of school age NFTE alumni are enrolled in high school or college.

95% of alumni believe the skills they learn from NFTE help them in life and business.

1 in 4 NFTE alumni have started at least one business.

NFTE alumni earn **50%** more than their peers.
