

Application & Registration Process for DBES Aftercare Programs

The registration process here at Deerfield Beach Elementary Aftercare varies depending on the program you are registering for. Directions are listed below. Please note that the “**application**” is not the same as the “**registration**”. An application is completing all forms and documents, and being registered is the receipting of payments for desired program (i.e. Aftercare, Spring Camp, Summer Camp etc).

Aftercare:

Our aftercare provides a fully structured, disciplined and enriched program for students starting with Pre-Kindergarten (PK) to Fifth grade (5th). Please follow the following steps to apply.

1. All interested in applying for our aftercare must apply “**in person at our school site**” with an authorized representative. Online registration is not available.
2. Applicants must come to register during designated hours (11:30am – 1:30pm or 3:00pm – 5:00pm). Applicants may also schedule a specialized time with Program Supervisor to apply if there’s a conflict in schedule.
3. Items needed at time of application: Student ID number, a valid ID, identified medications (if applicable), first payment if full and desired starting date.
4. If child has a “Special Need”, then an application will be completed along with a “**Special Needs Intake**” form. This allows our program to identify how we can best service the family & child. Note: A “**payment will not**” be received from parent until the “**Special Needs Intake Interview**” has taken place with Program Supervisor, DBES ESE Specialist and parent. Once needs have been determined and approved, payment will then be receipted and child will be a registered student of the program.

Teacher Planning Day Camps:

1. Any student attending a “**Broward County Public School**” may attend our (TPDC) program.
2. Applicants must come to register during designated hours (11:30am – 1:30pm or 3:00pm – 5:00pm). Applicants may also schedule a specialized time with Program Supervisor to apply if there’s a conflict in schedule.
3. Items needed at time of application: Student ID number, a valid ID, identified medications (if applicable) and first payment if full. If student is from a different school district, parents must also provide “**proof of health insurance**” and “**record of updated shoots**”.

Spring Break Camp:

1. Any student attending a “**Broward County Public School**” may attend our (Spring Break Camp) program.
2. Applicants must come to register during designated hours (11:30am – 1:30pm or 3:00pm – 5:00pm). Applicants may also schedule a specialized time with Program Supervisor to apply if there’s a conflict in schedule.
3. Items needed at time of application: Student ID number, a valid ID, identified medications (if applicable) and first payment if full. If student is from a different school district, parents must also provide “**proof of health insurance**” and “**record of updated shoots**”.

Summer Camp:

1. Any student attending a “**Broward County Public School**” may attend our (Summer Camp) program.
2. Applicants must come to register during designated hours (11:30am – 1:30pm or 3:00pm – 5:00pm). Applicants may also schedule a specialized time with Program Supervisor to apply if there’s a conflict in schedule.
3. Items needed at time of application: Student ID number, a valid ID, identified medications (if applicable) and first payment if full. If student is from a different school district, parents must also provide “**proof of health insurance**” and “**record of updated shoots**”.
