Dear Harbordale Families,

Did you know that each school in Broward County was awarded SMART BOND money? Every school has received \$100,000 and now is the time that we are going to vote on what to do with the money.

A committee was formed with SAC, parent, staff and teacher involvement to come up with two options for a ballot. These options will devote the money to capital enhancements around the school, or an enhancement that has a shelf life of over five years.

Now is your time to vote on the option that you are in favor of. Each student registered at Harbordale will be designated one vote. Teachers, staff and volunteers that are not parents of students here are also allowed one vote. The voting window will be open for one week, May 7-14, 2019. Late submissions will not be accepted and ballots cannot be reproduced.

Each option on the ballot totals \$100,000. Option 1 includes a shade for the P.E. area. This is the area next to the intermediate playground and the PE court. Option 2 includes a digital marquee that can be used in various ways, such as fundraising and attention catching announcements. A stage backdrop curtain for musical performances is part of this option too. Both options include technology that will be dispersed among grade levels. The technology may include, but not limit to laptops, Recordex (an innovative piece of technology that looks and acts much like a giant tablet), laminators, poster makers, printers, laptop carts, etc.

Please take the time to read over the choices and return your ballot by to your child's teacher by the due date, May 14th. An information table will be available during arrival on May 8th, 9th and 10th if you have any questions.

Sincerely,

The SMART BOND Committee
