Student Government Association is an organization comprised of students in all grade levels with different and unique capabilities. Though this organization is most notably connected to Homecoming and pep rallies, there is so much more that it has to offer. Within our school, SGA focuses on bettering EHS through topics such as: school safety/service, environmental concerns, faculty/staff relations, fundraising, community service, citizenship development, membership motivation, and to better involve YOU, prospective Student Government member! SGA is responsible for numerous events on and off campus in which you can partake. Beyond our school, SGA branches out to our county, district, state, and even our nation. Whether you are solely passionate about bettering our campus, or you wish to impact the nation, Student Government offers many outlets that can help you achieve that goal and possibly discover new ones.

With the understanding that this association seeks to uphold the wellbeing of our entire student body:
