

Our school is implementing a program called *i-Ready® Diagnostic & Instruction* that will provide our students in grades K-5 with an innovative diagnostic assessment and engaging instruction. The focus of this online program is reading. *i-Ready Diagnostic & Instruction* helps teachers to effectively assess their students and then provide individualized instruction based on each student's unique needs.

i-Ready Diagnostic & Instruction assesses and teaches the following skill areas:

Reading

- Phonological Awareness
- Phonics
- High-Frequency Words
- Vocabulary
- Comprehension

It is highly recommended that your child work on the i-Ready lessons at home. To log into i-Ready, your child will need to access the county's Single Site Sign On (SSO.BROWARDSCHOOLS.COM) and log into their Clever account. Should you have further questions, please do not hesitate to contact your child's teacher.
