

Millennium 6-12 Collegiate Academy

Mission Statement

To provide a stimulating learning environment where each student's diversified needs are challenged and met through community involvement creating productive citizens and lifelong learners.

Shining Stars Pathway

Millennium 6-12 Collegiate Academy's Shining Stars Pathway offers academically achieving students the opportunity to receive high school credits while enrolled as a middle school student. As students excel in this program in Grades 6-8, they are prepared to enter our innovative high school program which prepares students to earn their college Associate Degree and High School Diploma.
