

**“Education is power.
Information is liberating.
Education is the premise
of progress, in every
society, in every family.”
-Kofi Annan**

What is the Cambridge AICE Program?

The Advanced International Certificate of Education program (AICE) is an International Pre-University Program, part of the Cambridge Assessment Group, a not for profit organization and a department of the University of England. Pre-AICE courses taken will prepare student for the AICE level courses. AICE level courses culminates with a Cambridge exam. Students can earn college credit for passing scores in every AICE-level exam taken.
