

Instructions for Applying for Broward College Dual Enrollment

Step 1

You need to obtain a Broward College ID# (or BC ID). The Flanagan website has the instructions to apply to Broward College for a BC ID#. You will need this number to complete the Dual Enrollment application/paperwork.

**If you already have a BC ID# you can skip to Step 2.*

Step 2

Complete the BC Dual Enrollment application. The application, along with instructions for how to complete the form*, is on the Flanagan website.

**Instructions include: the Adobe program you need, how to complete the application, and how to send it to your counselor so that it can be sent to Broward College.*

You will need to list classes on the DE application. You should add the following courses to the DE Application: HLP1081C and DEP2004. They are a paired course for next year (Health Fitness and Developmental Psychology). You do not need to write the name, only the course letters and numbers as above.

Step 3

Once you complete the application you will email it to **two people**, your School Counselor, depending upon your grade level, and Jennifer DiBenedetto. Below are our email addresses:
