What is the Shining Stars Pathway?

- Millennium 6-12 Collegiate Academy's Shining Stars Pathway offers academically achieving students the opportunity to **receive high school credits while enrolled as a middle school student.**
- As students excel in this program in Grades 6-8, they are prepared to enter our innovative high school program in grades 9-12 which **prepares students to earn their college Associate Degree and High School Diploma.**

The background features several sets of curved lines in the corners, some solid and some dashed, creating a dynamic, abstract design.

How to be a Middle School Shining Star

- **Students with an A/B average**
- **FSA Scores of Level 4 or 5 on ELA and Math**
- **Positive Character and Leadership Traits**

Quote from Parent

How do we keep Sean on track with grades and assignments? By walking with him. This a new journey for your kids, so walk with them.

There are three things I do daily which are:

Check his grades, Check his Canvas, Check his email

You may think it's a lot but trust me when I tell you it will give a sense of peace knowing where your child stands academically.

This is a great program being offered at Millennium with great support staff, so help them to succeed by walking with them.
