-Luc de Clapiers

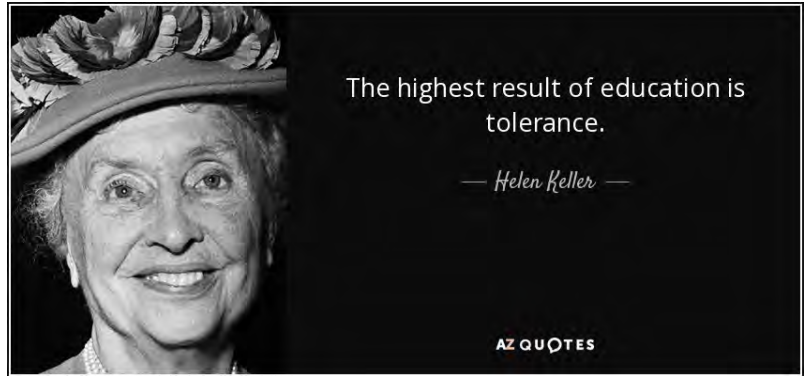

We hope you feel this way Tech Tigers,
its going to be a full month of testing so
let's stay ready!

April's Character Trait is...

Tolerance

Tolerance is recognizing and respecting differences, values, and beliefs of other people.

How can you fulfill that through academics?

- Acquired ability to break down a project over time (chunking)

How can you fulfill it interpersonally?

- Maintain an overall positive attitude
- Be aware of cultural sensitivity and diversity
- Being flexible and tolerant of change and uncertainty
- Having a positive relationship with peers

*Students make sure to check your **Naviance** notifications from your **Guidance Counselors Ms. Jackson and Ms. Guadalupe** for mindfulness activities, academic/interpersonal skills, and goals related to the monthly character trait.*
