LAUDERHILL 6-12 IS NOW A
CAMBRIDGE INTERNATIONAL
SCHOOL IN 2020-2021!

WE WILL BEGIN OUR CAMBRIDGE
DIPLOMA PROGRAM WITH OUR
9TH AND 10TH GRADE STUDENTS

Cambridge is a high-level college preparatory program.

The AICE (Cambridge) curriculum requires students to successfully complete a minimum of seven AICE courses and the corresponding examinations.

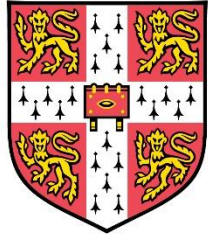

Students receive an AICE high school diploma when they pass the seven exams.

Students have only 3 years to complete the seven exams.

Our current 9th graders would be completed with the AICE diploma by the end of their junior year.

Our current 10th graders would be completed with the AICE diploma by the end of their senior year.

Benefits of AICE

All passed exams receive college credit for the course in addition to high school credit.

All AICE exams get two extra quality points in the weighted GPA.

Students that obtain the Cambridge Diploma automatically receive (regardless of SAT/ACT score) the Bright Futures Academic Scholarship.

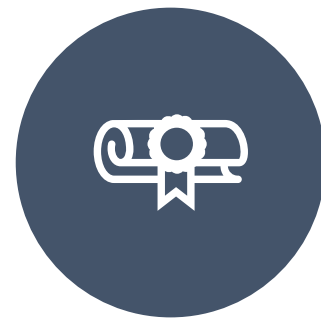

The Bright Futures Academic Scholarship pays 100% of tuition and books at any State University in Florida.
