

BAY STATE OF MIND

Cypress Bay High School has committed the 2022/23 school year to provide students, staff, and the community with the appropriate support for a successful year.

Each year, Cypress Bay High School focuses on a theme that epitomizes our core values and emphasizes our commitment to our students, teachers, and staff. The previous year's themes focused on knowing our Why and our purpose as educators(2019). Being kind; a commitment to Do Better and to Be Better (2020). Last year, the focus was to "Bay it Forward" (2021), a fusion of all our previous themes with a commitment to thinking of others, kindness, and being the best versions of ourselves.

Cypress Bay High School is proud of the 2022/23 school year theme. This year's theme is "Bay State of Mind." A theme highlighting our commitment to supporting the mental health needs of our students, teachers, and staff by focusing on every aspect of what it takes to provide the appropriate support for every student to succeed academically, socially, emotionally, and mentally.

This commitment comes with purposeful actions and programs intended to support our students and staff meaningfully. This commitment began with the "Bay Day Assemblies," where students were introduced to the meaning of our mission and met their administrators, counselors, and support staff available to assist them daily.

Additionally, the administrative team has provided tangible rewards for students of character, highlighting students who are kind, respectful, and thoughtful as selected by their teachers. Our team has provided students with bi-monthly opportunities to chat with Principal Fried (Check-N-Connect), as well as provide after-school mental health workshops for our students and the community, and so much more for teachers and staff.

Cypress Bay High School continues to commit itself to providing students at Cypress Bay with the most inclusive, cultivating, and proactive learning environment. We ask that you join us in our mission and commitment to the "Bay State of Mind."

Know your Why, Mission Kindness, Do Better - Be Better, Bay it Forward, "Bay State of Mind." The commitment to continuous improvement continues.
