

How Does It Work?

When users shop at smile.amazon.com, the AmazonSmile Foundation contributes 0.5 percent of eligible purchases (that's \$5 of every \$1,000 spent) to a designated charity—in this case, our PTA!! Especially for frequent Amazon users (and who isn't?), it's an effortless way to give back to our school. So instead of going to Amazon.com, simply go to Smile.Amazon.com and as long as we're your registered charity, Amazon donates back to us thanks to your purchase. Meanwhile for you, there's no difference – the same items can be shopped, the same pricing is listed, you can still use your Amazon account – it's all the same, but you just need to remember to go through Smile.Amazon.com

Can I use my existing Amazon.com account on AmazonSmile?

Yes, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.
