

FORT LAUDERDALE HIGH SCHOOL

SPRING 2021 TEST DAY PROCEDURES

Per the Florida Department of Education (FDOE), no remote administrations are available for any statewide summative assessments. Unlike some states, Florida has no "opt-out" policy for state assessments used as the required measures of student achievement for the Every Student Succeeds Act of 2015.

IN PERSON TESTING

- All statewide FSA and EOC assessments are in-person only exams. Students who do not participate in mandatory statewide assessments risk the possibility of being placed in remediation the following school year, and other consequences (such as retention) based on the district's Student Progression Plan. For further information on promotion criteria, please see School Board Policy 6000.1 Student Progression Plan (<https://www.browardschools.com/progressionplan>). We ask that if your student will not participate in their exams that you complete the Notification Confirmation Survey for each exam they will miss.
