

Dear Seniors and Families,

Your time has come! It is time to get your senior photos taken! This year Miramar High School has partnered with [CADY: The Premier Photography Studio](#). CADY has two studio locations to serve our Seniors: Miramar and Delray Beach.

About CADY: When it comes to senior portraits, your photo should go beyond a smile and a boring backdrop. With over two decades of experience exclusively devoted to high school portraits, combined with a dream team of dedicated photographers, makeup artists, hair stylists, and image editors, we've got a lot of passion for what we do. We're here to make high school portraits more fun, authentic, memorable, and stunning.

All seniors should sign up for their photography session as soon as possible. *Note: Seniors should have their photo taken by **October 31, 2022** to ensure yearbook and graduation inclusion. **Most seniors complete their senior photography session during the summer before their senior year.***
