Principal's Message

Dear Cavalier Parents and Friends,

As the new Principal, it is my great pleasure to welcome everyone back for another year at Phenomenal Parkway! I consider it a privilege that you have entrusted your child to us this 2021-22 school year. We are excited to have our scholars filling the halls with energy and excitement, and back in classrooms participating in meaningful learning experiences that will enrich their lives for many years to come.

As a Magnet School of Distinction, Parkway will continue in the rich tradition of excellence offering students innovative programs in music, art, vocal, band, theater and dance. Additionally, we have a Gifted Academy for learners in 3rd-8th grades. All of our students engage in SEL strategies (Social Emotional Learning) to address their mental and social well-being because we believe in educating the entire child.

A few major initiatives this year is to increase home-school communication, provide a safe and nurturing learning environment and to address the concern of student literacy as we progress past the pandemic. We look forward to partnering with our scholars, teachers, parents and stakeholders in this academic effort as we focus on priority standards. We are committed to academics as we focus on Excellence without Excuses.

I look forward to building positive relationships with all stakeholders and encourage you to become active members of the Cavalier family. Together, let's make it an amazing year! We are One Team, One School and One Family.
