

S.O.U.L

(Student Organizations for Universal Learning)

Program Overview:

S.O.U.L will be designed to assist students in discovering and learning about the arts and other vocations. Students will be exposed to different types of performing arts and vocational programs. While attending these classes, students will learn how to use their imagination skills to enhance creativity. This will allow students the chance to work cooperatively with others and express themselves through talents and skills.
