

District and Regional Advisory Councils

Our district is divided into 3 regions, North, Central and South. Each region consists of about 70 schools to include elementary, middle, high, technical schools, and centers. Each school has a parent representative known as a School Advisory Forum Chair (SAF) who attends the regional meeting held the 3rd week of the Month. These parents provide feedback, voice concerns, give recommendations, share best practices and help shape the educational experience for our children. Each Region sends parent representative to District Advisory Council (DAC), which meets the 2nd Wednesday of the month. The DAC Chair provides our concerns and recommendations to the School Board.

At our meetings, we have guest speakers from the district and community to provide us with information that helps shape questions and decision-making. We also form subcommittees to work on specific issues, like transportation. We would love for you to attend our meetings and provide your input. Please register on your regional website and District Advisory Website.

ESE Advisory

The Broward ESE Advisory Council is a group of parent volunteers who strive to ensure beneficial opportunities for students with learning differences. The advisory promotes meaningful inclusion while working to ensure that our children benefit from the best educational practices and advocate for a stronger system of supports for our students, teachers and support staff.
