New Year
ahead*

Dear Everglades High School Community,

Happy New Year! As we embark on the first month of 2024, I want to extend my warmest wishes to each of you for a year filled with growth, achievement, and joy. January is a special time at Everglades High; it's a period of new beginnings and renewed energy. As we step into 2024, I am filled with optimism and excitement for what this year holds for us. January is not just the start of a new year but also a pivotal month in our academic calendar.

Firstly, I want to remind everyone that the end of the current quarter is approaching on January 19. This is a significant milestone for our students, marking the halfway point of the academic year. I encourage all students to remain focused and continue their hard work as they complete their courses.

I want to take a moment to thank our dedicated staff, committed students, and supportive parents. Your continuous engagement and collaboration are what make Everglades High School a wonderful learning community. Please note that the school will be closed on January 15 and January 22. I hope everyone uses this time to rest, recharge, and return ready to start the second semester with renewed energy.

An important highlight of this month is the upcoming course selection for the next academic year. This is a valuable opportunity for students to think about their interests, college, and career aspirations as they choose their classes. We will be providing more information and resources to help guide students and parents through this process, so please stay tuned.

If you have recently visited our campus, you may have noticed that our campus is currently undergoing some enhancements. The school campus is currently being painted. We are also installing new wraps on the front office windows. Additionally, we are making changes to improve our visitor parking lot. Please excuse our appearance as we complete these projects around our school and provide students with the best possible learning environment. More information is to come in the future as each of these projects are completed.

As always, we are here to support you. Should you have any questions or concerns, please do not hesitate to reach out. Let's make January a productive and positive month, setting the tone for a fantastic year ahead.

Warm regards,
Mr. Sean Curran
Principal, Everglades High School

2. Each passed AICE exam earns at least 3 college credits, so an AICE diploma means leaving EHS with at least 21 college credits.
3. The AICE Diploma is an automatic qualifier for the Bright Futures Scholarship (with the completion of 100 hours of community service), regardless of SAT/ACT score.

CAMBRIDGE CORNER

Thank you to all EHS families that attended our Cambridge Parent Night. The evening was certainly a success!

Why is it important to earn your AICE diploma?

One of the most asked questions that is heard when we talk about the Cambridge AICE Diploma is "Why?" Earning an AICE diploma requires you to take 7 different rigorous courses and pass their corresponding college-level exams within 3 school years. If you polled our current AICE diploma seeking students at EHS, almost all of them would tell you that they are working towards their AICE diploma for 3 reasons:

1. Our rigorous AICE courses help to prepare them for college.
