

Happy New School Year, Eagle Point Families!

We are ready for another amazing year at Eagle Point Elementary! I am happy to share some school updates with you:

Administration Updates:

- Mr. Martin, one of our assistant principals, was reassigned to another elementary school. He will be missed and we wish him all the best.
- Ms. Dailey has joined our team as the new assistant principal. Please join me in welcoming her to our team. She has already proven herself to be a wonderful asset!

Security Updates:

- Deputy Del Sol is our full-time School Resource Officer. He joined us after Spring Break last year. He will continue serving and protecting our school.
- All visitors must enter the school by way of the Front Office and proceed through our STAR check-in process. All visitors must have proper ID and wear a visitor pass while on campus.
- Parents will not be permitted on campus during arrival or dismissal time unless you have a conference with a teacher. You will be required to check-in at the front office.
- All staff and students must wear their ID's while on campus.
- All Broward County Public Schools will conduct monthly Fire Drills and Code Red Drills. You will be notified via Parentlink upon completion of the drills.
- Parents will be permitted to walk students to class the first two days of school. Friday, August 17th is Independence Day. Students will walk themselves to class. We will have student safety patrols and support staff members available to assist students should they not remember how to get to class.

Before School Care:

- We will have before school care beginning at 6:45AM for a monthly fee.
- Please register with Mr. Veasy, Afterschool Care Director.

Beginning of the School Year Tips/Reminders:

- School begins at 8:00AM promptly. Students are expected to be in their class when the 8:00AM bell rings.
- Students walking from North Lakes may enter from the same entrance as the bus riders. Students arriving after 8:00AM must use the front of the school entrance.
- Please be extra patient with traffic the first two weeks of school. I promise, it does get better!
- There is very limited parking at our school. We highly encourage you to either walk, bike, or use the car drop off line.
- Unless your child is enrolled in before school care, there is no student supervision prior to 7:30AM.
- Please complete all back to school forms at www.browardschools.com/backtoschool-onlineforms

- Once you have completed the forms, please print and bring the confirmation page to your child's teacher at Meet & Greet.
- Free and Reduced lunch applications can be completed at www.applyforlunch.com
- Deposit money into your child's lunch account at www.myschoolbucks.com

Thank you to our Foundation parent organization. They are purchasing a new digital marquee for our school. We are looking forward to it being installed in the next 45-60 days.

We look forward to seeing you at Meet & Greet/Open House on August 14th. The schedule is as follows:

PreK &K: 8:00AM-8:50

1st Grade: 9:30-10:20AM

2nd Grade: 10:40-11:30AM

3rd Grade: 11:45-12:35PM

4th Grade: 12:50-1:40PM

5th Grade: 2:00-2:50PM

Wishing everyone a wonderful start to the 2018-2019 school year!

Christine de Zayas
Principal
