

Dear Parents, Students and Community Members,

Welcome to another exciting school year! As we embark on this educational journey, I wanted to take this opportunity to welcome you to Annabel C. Perry PreK-8. I am truly looking forward to another successful year as your Assistant Principal and I wanted to take this opportunity to encourage you to join us as we continue to develop the minds of our amazing students.

It is a privilege to be a part of such a wonderful community of individuals who are committed to the success of all students. As one of your Assistant Principals, I will continue to strive each day to develop positive relationships that foster academic growth. I firmly believe in the power of education and the impact that education has on an individuals' life. By continuing our "Culture of Caring" here at Annabel C. Perry PreK-8, we are unlocking the potential in all our students and preparing them for the 21st Century. We truly believe that with the right mindset, all things are possible!

I am looking forward to the many exciting opportunities that await all of our students throughout the year and encourage you to join us. Please follow us on Twitter at [@Annabel_C_Perry](#) and feel free to stop in to see some of our exciting initiatives in person. I am available for questions at anytime at [Genevieve Leydig](#), or by calling 754-323-7050.

Thank you so much and Go Penguins!!

Sincerely,

Dr. Genevieve Leydig,

Annabel C. Perry
