October 6, 2023

Dear Parents:

2023 marks the 77th anniversary of the National School Lunch Program. We invite you to help us celebrate.

Broward County Public Schools participates in the National School Lunch Program, which makes it possible for schools throughout the nation to serve wholesome and nutritious lunches to students every school day. These lunches make an important contribution to good nutrition, which is vital to your child's mental and physical growth as well as learning.

Throughout the United States, schools will be celebrating NATIONAL SCHOOL LUNCH WEEK, October 9-13, 2023. The theme for this year's National School Lunch Week celebration is *"Level Up with School Lunch."*

To help you and members of the community learn more about the school nutrition program, we invite you to join your student(s) for lunch during National School Lunch Week. Guests will accompany their students through the serving line and pay the regular price for lunch (adult lunch-\$4.75)

Students' participation in the school lunch program is important because it not only supplies one-third of your child's daily nutritional requirements, but also introduces your child to new foods, teaches your child better food choices, and helps your child maintain a strong body and an alert mind.

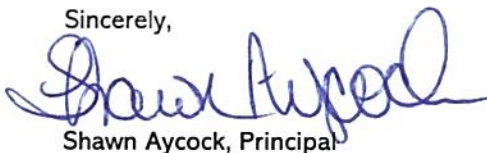

Please join us for lunch during National School Lunch Week.

Please RSVP by October 13, 2023

TO: 754-323-4000

We are looking forward to having you join us for lunch!

Sincerely,

Shawn Aycock, Principal
