- 2.0 unweighted GPA

Exercise Science Program

Hollywood Hills will launch the Exercise Science program for the 2021-22 school year. The program is intended to provide qualified students with an enriched curriculum to prepare them for entry into several different pathway options following high school graduation.

Students will have an opportunity to earn college credits through dual enrollment, prepare for one of three certifications with National Academy of Sports Medicine (NASM) and get hands on experience through field trips / internships.

Once a Spartan,

Always a Spartan!
