

Greetings Sensational Sunshine Elementary Families,

I would like to welcome you to the 2020-2021 school year. It is an absolute honor to serve as your Principal. As we all continue to adjust to what has become our new normal, our experiences will undoubtedly be filled with many firsts. **During this time, I ask for your continued patience and support as we maneuver and make modifications to the e-learning environment.**

Our theme this school year is " Every journey has a great story... which path will you choose? This theme referenced the different modalities of learning that was suggested for the school year. At the time, we were uncertain of the **path** or platform that would be utilized to instruct; virtual, hybrid or e-learning. But what we did know was that no matter what our **journey was, the end result was to provide all students with a quality education!**

So, as we begin the school year on a virtual platform it is important that we maintain a culture of inclusiveness. We must stay united! Our parents and our staff must continue to work collaboratively to ensure that are scholars **have a year of academic and social growth**. It is my greatest belief that a student has the most success when the school and family work collaboratively as a team and communicate frequently. Perhaps this is truer now than it ever has been.

I am overcome with pride when I think about the resiliency of our community thus far. The onset of Virtual learning may not be easy but, as a school community we continue to persevere! The way that we always come together to support one another is what sets us apart and makes us special. I have no doubt in my mind that together, we can indeed rise to the challenge and watch our kids surpass our expectations!

To improve our communication even more this year we ask that you update your phone number and email address with the school. We will continue to communicate with our families through email, calls, texts, and our Parentlink Portal. But, this year, you can obtain additional school information via our parent Canvas page: or our school webpage <https://www.browardschools.com/sunshine>. We also invite you to follow us on Twitter@Sunshineelementary where we will share the great things that are happening at Sunshine Elementary,

We are looking forward to a great year of learning and fun! As always, if you have any questions, please don't hesitate to contact the office at 754-323-7700.

Welcome Back!
