

# Broward County School District Technical Support

Broward County School District Technical Support  
will be available starting April 20, 2020 by phone  
between 8:00 AM – 4:00 PM  
Monday – Friday (excluding BCPS calendar holidays)  
(754) 321-0569

Instead of contacting individual schools for assistance, BCPS parents, students and staff are encouraged to call the technical support line if they have questions or need help with any of the following:

- Operating the computer device
- Fixing a computer device
- Obtaining a computer device
- Using academic platform or programs, such as Canvas, Teams, Office, etc.
