

BENEFITS OF BEING AN HONORS STUDENT

ACADEMIC DISTINCTION

The Honors College offers CA@BC students an Honors Associate of Arts degree. Graduates are also awarded "Honor Cords" to be worn during the commencement ceremony.

COMPETITIVE POSITIONING

In today's hyper-competitive admissions landscape, the Honors College designation will help College Academy students stand out in the applicant pool!

SPECIALIZED CURRICULUM

Honors students complete courses taught by award-winning and dedicated faculty, including Honors Foundations of the Humanities and Honors Interdisciplinary Studies. Students have the opportunity to work on individual and group research projects as well as service activities.
