SOCIAL WORKERS MESSAGE

- From March 4 – March 21, 2024, all students in grades 4 -12 will have an opportunity to participate in the Life Skills and Wellness Student Survey by Rethink Ed. The purpose is to prepare our students for the 21st-century workplace by identifying life and employability skills that are supportive both academically and beyond the classroom. Parents have the opportunity to opt their child out of this 45-question/15-minute survey, by completing an electronic opt-out submission or printing and returning the form. Both can be found on our school's website until March 5, 2024.- STHS Social Worker, Ahlam Ibrahim
