## A Message from Our Pack Leader

We are committed to supporting your child's educational journey at Sheridan Technical College & Technical High School, with a strong focus on Rigor, Relevance, and Relationships. Your involvement is crucial to their success.

A big thank you to all the parents who attended our Parent Open House on Tuesday, August 27, 2024. We are proud to maintain our tradition as an "A" rated high school, a standard we continue to uphold year after year!

To ensure your child has a successful school year, please consider the following recommendations:

1. Register for a FOCUS Parent Account if you haven't already done so.
2. Dedicate adequate time for your child to review and plan for their academic success.
3. Encourage your child to take advantage of our FREE after-school tutoring, starting Tuesday, September 3.
4. Stay in touch with your child's teacher and/or counselor if any academic, social, or behavioral challenges arise.

Finally, please encourage your child to get involved in campus activities by joining a club or organization. Students, seize these opportunities to enhance your engagement and build a strong high school resume.

*Thank you, and welcome back to the Wolf Pack!*

"It's your road, and yours alone,  
others may walk it with you, but no  
one can walk it for you." Rumi

## School Safety and Crisis

### Preventing Youth Suicide: Tips for Parents and Educators

Suicide is preventable. Youth who are contemplating suicide frequently give warning signs. Do not be afraid to ask about suicidal thoughts. Never take warning signs lightly or promise to keep them secret.

### Preventing Teen Suicide: Tips for Peers

Suicide rarely happens without warning. As a peer, you may be in the best position to recognize when a friend might need help and help them get it. You may see signs in person, hear about them secondhand, or see them online in social media. Never ignore these signs.

#### Risk Factors

- Hopelessness
- Nonsuicidal self-injury (e.g., cutting)
- Mental illness and substance abuse
- History of suicidal thinking and behavior
- Prior suicide among peers or family members
- Interpersonal conflict, family stress/dysfunction
- Presence of a firearm in the home

#### Warning Signs

- Suicidal threats in the form of direct (e.g., "I want to die") and indirect (e.g., "I wish I could go to sleep and not wake up") statements
- Suicide notes, plans, online postings
- Making final arrangements
- Preoccupation with death
- Giving away prized possessions Talking about death
- Sudden unexplained happiness Increased risk taking
- Heavy drug/alcohol use

Everyone's life matters. Help is available.

People do care. Treatment works.

Don't keep silent. Tell a trusted adult.

### *A message from Ms. Asselta, Ms. Pulley, & Ms. Segal*

Welcome back to STHS! For our new students, we understand the transition to high school can be overwhelming. Even if you're not new to us, developing good habits can significantly enhance your academic and personal success.

Here are some key areas to focus on for **Time Management and Organization**:

- ♦ **Use of planners:** Digital or paper, a planner can help you keep track of assignments, deadlines, and extracurricular activities.
- ♦ **Effective time management techniques:** Breaking down large tasks into smaller, manageable steps, prioritizing assignments, and setting realistic goals can be invaluable.
- ♦ **Create a dedicated study space:** A quiet, well-organized space can improve focus and productivity.

Your counselors are here to help you become the best versions of yourself! Let us know if you need anything, have any questions, or just want to say "Hi". We love our students, and we love being your counselors.

## **Signing up for presentations:**

- 11<sup>th</sup> & 12<sup>th</sup> graders may sign up for college presentations. You will be responsible for making up work in the class you miss. If you are usually at STC during 1<sup>st</sup> and 2<sup>nd</sup> blocks, and that is when the presentation is taking place, you will be with Mrs. DiAlberto 1<sup>st</sup> and 2<sup>nd</sup> blocks. If you have permission to drive, you may drive back to the college, depending on which block the presentation is taking place. Please check with Mrs. DiAlberto if you have any questions.
