## SENIORS

**Senior Survey Deadline is May 28—Senior Survey MUST BE submitted BEFORE you can participate in the WOLF WALK!**

## JUNIORS & PARENTS

- I have individually met with most of the Juniors. If we have not met and your Junior would like an appointment with me, please have him/her email me ASAP!
- My goal is to get them ready for the college application process starting August 1.

## WHAT JUNIORS SHOULD BE DOING NOW TO GET READY FOR COLLEGE APPLICATIONS

1. Career Research - Occupational Outlook Handbook
2. College Research - check out colleges you may be interested in on their websites - visual tours
3. Resume
4. Letters of Recommendation
5. Before August 1 - have college application essay completed
6. Update your raise.me account
7. Check out Scholarship Newsletters in your Outlook
8. Get your username and password for FAFSA - studentaid.gov
9. File the 2025-2026 FAFSA by August 1 with Parent's 2023 taxes
10. Go to act.org and take a free practice ACT with the science section
11. If you will be retesting before August, make sure you are on the Free or Reduced Lunch List, if you should be. I can't give waivers unless you are on the County List. **Parents will have to fill out both forms again in the fall.**
12. **READ YOUR EMAILS!!!!!!!**

## FREE OR REDUCED LUNCH:

- All Juniors and Seniors on Broward County School's Free or Reduced lunch List are entitled to 2 free SAT fee waivers, 4 free ACT fee waivers, free CLT waivers, and college application fee waivers. Parents should go online to [www.applyforlunch.com](http://www.applyforlunch.com) to fill out their application. **Both the online form for free or reduced lunch and the Meal Disclosure Form** are required for a student to receive fee waivers for the SAT, ACT, or college applications. After completing the 2 forms, they must be submitted for approval by Broward County Schools.

**Fee Waivers:** Students continue to have two paths to receive their fee waiver benefits:

- **Requesting a fee waiver directly from College Board:** When requesting from College Board directly, if a student isn't automatically approved, the adult they identify will receive an email to verify student eligibility. This occasionally happened in the past, but now the identified adult receiving an email will be an automatic feature going forward.
- **Using a fee waiver code from their counselor:** If you and your students prefer to use the fee waiver codes, counselors can find the codes in the K-12 reporting portal under the Downloads tab. Contact Customer Service if you need help with fee waiver codes.

## Bright Futures Info for Seniors

Seniors have until May to get the GPA and service hours needed for BF. You are encouraged to continue to work on the required test score minimums for BF which are due by August 31, 2025.

## Congratulations to the Seniors who have been accepted into a college!

Seniors, when you receive an acceptance notification, either by email or mail, please send it to me (Mrs. DiAlberto). If the college is offering you scholarship money, please send that information as well. We keep track of the numbers!

## AP U.S. History (APUSH)

Students should prepare themselves for the rigorous workload required in AP US History by familiarizing themselves with the types of essay questions required on

the exam. The past year's questions are the actual exam questions, and sample answers and scoring commentary provide insight into the types of analysis and writing required on the exam. Pay particular attention to the DBQ questions and short answer questions because these are the types of essay writing we will be doing every week."

<https://apcentral.collegeboard.org/courses/ap-united-states-history/exam/past-exam-questions>

Dear Parents,

I'm thrilled to announce that our Emerging Tech students are wrapping up an amazing semester! On May 5th, they'll take their Microsoft Excel Certiport Exam, and I'm proud to share that 98% of our students have already passed their PowerPoint and Word certification exams—an outstanding achievement!

There will be one last chance for students to pass any remaining exams on Tuesday, May 27th. Students who successfully complete all three certifications will be invited to go even further by earning a fourth certification—either Word Expert, Excel Expert, or Outlook—for extra credit.

As we head into the final month, students will dive into two exciting, hands-on projects. First, they'll tackle a budgeting project where they'll select a career, calculate taxes, and budget for essentials like an apartment, a car, and groceries.

Then, they'll pull together everything they've learned this semester to create a final project: either creating their own restaurant concept or planning a fun Spring Break trip for family or friends. They'll use Word, PowerPoint, and Excel to design and present their projects creatively and professionally.

I hope your student has loved this class as much as I have loved teaching it. They have so much to be proud of, and I can't wait to see all they accomplish in these final weeks!

Thank you for your incredible support throughout the semester!

Warmly,

Mrs. Rowntree

You have one job...GRADUATE!

For the first time, Sheridan Technical High School has qualified for the ***National Speech and Debate Association National Tournament***. Two of our teams placed 2nd (Malachi R. and Zaniah R.) and 3rd (Penelope K. and Elena M.) in Duo Interpretation and will be representing Broward County in Iowa this June. This is an amazing achievement for our team, and we could not be more proud of our students' hard work and dedication. Go Wolves!

### Art Emphasis: Dance ~ District Scholarship Winner!

The arts have shaped me by teaching creativity, problem-solving and adaptability, especially through dance. Dance became a means of self-expression and helped me build a community while learning perseverance and experimentation. My experiences have shown me how combining the arts with STEM leads to a deeper understanding of both, such as using artistic creativity in 3-D set design and understanding human physiology in dance. I plan to explore this intersection further as a medical researcher, focusing on how art therapies can improve pediatric healthcare and enhance patient well-being. Through blending science and art, I aim to contribute to advancements in healthcare.

A BIG congratulations to all of our students who competed this week at the SkillsUSA Florida State Leadership and Skills Conference in Jacksonville. The next stop is Atlanta, Georgia for the National Competition!

The **Sheridan Technical High School Beowulves** finished their slam poetry competition season. The team brought their A-game to the stage, earning 3rd in the competition in the Semi-final round. It truly was a battle of the mics with Cynthia Maloney crushing the competition, earning the highest scores of our team that night!

Senior Samantha Cedrati made STHS history as she not only was the 2nd poet to grace the **Louder Than A Bomb, Florida Competition Stage** but also that she earned the title "People's Choice" award for her amazing performances that night.

Her poems "Wonderland" and "Stop-and-Go Traffic" captivated the audience, even earning a 9.8/10! Samantha has always been our choice, but now she has the official title of being "The People's Choice" for the 2024-2025 Louder Than A Bomb, Florida Season, and we couldn't be any prouder of her! Well done, Samantha!

Junior Jasmyne Gonzalez was recognized at the **2025 Florida State Mandates Showcase** for her compelling essay on the Haitian Revolution—a powerful testament to unity, resilience, and hope. In her work, Jasmyne illuminated the world’s first successful slave revolt, where the Haitian people overcame overwhelming odds to establish the first independent Black republic.

Her insightful and inspiring writing celebrates the enduring strength of collective resistance and the unifying power of a shared vision. Jasmyne wrote her essay for Ms. McAfee's AP English Language and Composition class, and it earned 3rd place among high school submissions across Broward County. **Congratulations, Jasmyne!**

The ***Golden Ticket Winner*** for April 2025 is Amaya G. (Grd9), drawn by Mrs. Asselta! Congratulations for making your mark and being recognized by your teachers! Our last drawing for the

year will be on May 30th, so get your tickets turned into Ms. Lloyd!

### **A Special Note of Gratitude from The Student Support Office!**

With heartfelt gratitude, thank you to all the parents Ms. Hood and I have had the pleasure of working with this year. Your partnership, trust, and support have made a meaningful difference. It's hard to believe we are nearing the end of the school year, and I'm truly grateful for the collaboration we've built together. To those that will be returning in August—I'm excited for what's ahead and look forward to another great year. And to our seniors and their families—congratulations on this incredible milestone! As you begin this next chapter, know that you are more than ready, and we are cheering you on every step of the way.

## **Florida Poly Technical Institute Questions & Answer Lunch**

Ms. Hood and Ms. Lloyd recently visited Florida Polytechnic University in Lakeland and were impressed by the beautiful campus. During their visit, they met with Noah Jones, a former STHS student who just completed his freshman year.

Noah has kindly offered to visit STHS during lunch in late May to speak with any students who have committed to or are interested in attending Florida Poly.

If you are interested in attending, please email Ms. Lloyd.

# Avoid a Hallway Detention!

The STHS Magnet Contract is still very much in effect. After repeated conversations with students via this newsletter, on campus announcements, and hallway conversations, **the Staff of STHS has unanimously voted to implement Fast Pass Detention Notices to any students who are witnessed to be in violation of the basic expectations as set in the STHS Magnet Contract.**

Where teachers will continue to proactively check for all expectations to be adhered to within their classes, the hallways will also be monitored to ensure that teaching and learning is not compromised by basic expectations not being met.

- Out of uniform/dress code/No visible ID
- Tardy to school/class
- Not using their school-assigned backpack
- Not following directions
- Visible phone and/or listening device
- Engaging in horseplay
- Using profane language
- Out of assigned area

For this reason, any of the following violations will result in an administrative detention. None of these expectations are new, and all can be implemented without any disciplinary consequences with both student and parent support.

The detention will take place during the student's lunch within 2 school days of it being assigned. Failure to serve the detention will result in progressive disciplinary consequences, as detailed in the BCPS Discipline Matrix.

Our goal is that students will follow the established expectations, with a focus on their learning environment. We thank you for your compliance and support in this effort.

## ATTENTION Parents & Guardians!

**Creating your Parent FOCUS Account is required in order to view your child's grades and attendance records in FOCUS, as well as complete the necessary paperwork for your child to participate in extracurricular activities and events.**

## School Safety and Crisis

### Preventing Youth Suicide: Tips for Parents and Educators

Suicide is preventable. Youth who are contemplating suicide frequently give warning signs. Do not be afraid to ask about suicidal thoughts. Never take warning signs lightly or promise to keep them secret.

### Preventing Teen Suicide: Tips for Peers

Suicide rarely happens without warning. As a peer, you may be in the best position to recognize when a friend might need help and help them get it. You may see signs in person, hear about them secondhand, or see them online in social media. Never ignore these signs.

#### Risk Factors

- Hopelessness
- Nonsuicidal self-injury (e.g., cutting)
- Mental illness and substance abuse
- History of suicidal thinking and behavior
- Prior suicide among peers or family members
- Interpersonal conflict, family stress/dysfunction
- Presence of a firearm in the home

#### Warning Signs

- Suicidal threats in the form of direct (e.g., "I want to die") and indirect (e.g., "I wish I could go to sleep and not wake up") statements
- Suicide notes, plans, online postings
- Making final arrangements
- Preoccupation with death
- Giving away prized possessions Talking about death
- Sudden unexplained happiness Increased risk taking
- Heavy drug/alcohol use

Everyone's life matters. Help is available.

People do care. Treatment works.

Don't keep silent. Tell a trusted adult.
