Click on the word Catalog and this is the screen you will see. Look in the box, were you see the words material type, change that to electronic book (e-book). Then click enter and you will see all the E-books for Western High school media. If you would like to search for a specific book or author, type the information on "Find" as shown above. Look at the screen below and if we have that book it will come up. If your search was for a specific author all books under that author will come up.
