Dear Parents and Students,

Hooray! “We’re an A!” Congratulations to our Toucans and their families for your incredible TRIUMPH in making Tropical Elementary School an “A” rated school. This has been quite an accomplishment. We are so pleased that your child(ren) will be part of this amazing school for the 2019-20 school year. As the new Principal of Tropical Elementary, I am honored to share this success with you.

This year our theme will be “**I Can, We Can, Toucan!**” – **Triumph!** where students and staff come together not only to celebrate our “A” rating but to know that we are a community of learners helping each other to become the best we can be each and every day.

The start of the school year can be exciting but also daunting for students as they take on different subjects, learn new concepts and make new friends. By supporting and learning together in a positive environment, we all grow individually and collectively.

We look forward to partnering with you to provide the guidance and support that our young people need to grow and be successful as they continue their educational journey. This year will be filled with learning and fun while being aware of the need to grow both socially and emotionally for our ever-changing world.

It’s a great day to be a Toucan!

Educationally yours,

Robert N. Schneider, Principal

Teresita Miranda, Intern Principal
