Joining PTSA is your way of showing support to your child, school and PTSA. **Remember that joining PTSA is not a commitment to volunteering. It is a commitment of support for our students and the many programs and activities brought to you through our WBH PTSA Outreach Program.** Through this program we have awarded **over \$30,000 in scholarships**, the last couple of years, to graduating seniors. **Membership dollars also subsidize P.E. uniforms and provides thousands of dollars to students in need. Student membership is also important because each year your child is a PTSA member is factored into the eligibility process of PTSA scholarship in their senior year.**

In accordance with Broward County Schools Media release form, as the parent of a student in the Broward County Public Schools; I understand that my student's picture may appear in newspapers, school publications, television, and websites of the following entities: School Board/District, WBH PTSA and School websites, e.g., school yearbooks, school newspapers, class pictures and/or other communication tools.

I will allow my student to be photographed and/or filmed for Newspapers, Television, School Board/District, WBH PTSA websites and publications, and other communication tools.
