Parent/Guardian,

In an effort to increase student performance on standardized tests, Nova High School will once again sponsor the Saturday Academy Program, an extended learning preparatory program for all students. In the academy, students will work with our highly qualified teachers who utilize high yield instructional strategies to reinforce the skills needed to be successful on various standardized assessments.

We are committed to helping Nova students become college and career ready. As you know, graduation requirements include obtaining an achievement level of 3 on the Florida Standards Assessment and passing core classes with End-of-Course Exams such as Algebra I, Geometry, Biology, and US History. Saturday Academy test preparation will take place on the following dates from 8:30AM-12:00PM:
