

HARBORDALE ELEMENTARY SCHOOL

Dismissal Procedures and Student Pick-up

This year we will continue to implement a color code system to help streamline our dismissal process. All students will be assigned a color based for their primary means of dismissal. Please take a few minutes to review our plan.

- **RED AREA**
If your child gets picked up in a car using the car loop on Miami road, your child will be considered a “car rider” and will be color-coded with a **RED** wristband on their backpack.
- **GREEN AREA**
If your child gets picked up by an adult who parks their car and/or walks to on campus to meet their child at the end of the day, please meet your child at the west side of the campus near the marquee area. Your child will be considered a “walker” and will be color-coded with a **GREEN** wristband on their backpack.
- **BLUE AREA**
If your child rides a school bus, your child will be considered a “bus rider” and will be color-coded with a **BLUE** wristband on their backpack. (This will include all students who participate in aftercare programs that provide transportation to aftercare site.)
- **YELLOW AREA**
If your child participates in the Sunshine Aftercare program, your child will be considered “aftercare” and they will be color-coded with a **YELLOW** wristband on their backpack. At the end of the school day, all aftercare students will be escorted to the cafeteria.

If you must change your child’s dismissal, a written note is required prior to 1:00 p.m. Please send in the written request with your child in the morning, or fax to school at 754-323-6090 with a copy of your driver’s license by 1:00 p.m. Emails and phone calls will be not accepted.

Thank you for your cooperation. The safety of your child is of the utmost importance to us at Harbordale.
